1. **Risk/Responsibility:** The By-laws of the Club provide that “All persons taking part in Club activities do so at their own risk, and the Club will not be held responsible for any loss, damage, or injury suffered”.
2. **Liability/Insurance:** Because the Club accepts no liability for injury, loss, or damage to the persons and property of members, their families or guests, however caused, including that caused by the negligence of the officers, servants, and agents of the Club, every member will keep their boat fully insured. Any coverage should provide for property damage and liability insurance, should the boat be involved in an accident and injury or damage occur.
3. **Fireworks/Embers:** The purpose of this notice is to advise Club members that the Corporation of the City of Sault Ste. Normally the fireworks are ignited on Canada Day, July 1<sup>st</sup>. However, occasions may arise when the fireworks are ignited on other days for other celebrations. It is your responsibility as a Club member and the owner of a boat to insure that your boat is moved out of the range of the fireworks and any embers from the fireworks. Should you choose to keep your boat within the range of the fireworks and their embers, neither the Algoma Sailing Club nor the Corporation of the City of Sault Ste. Marie or its agents will accept any responsibility for any property damage or bodily injury that arises in any way from the fireworks display
